

Investigating Paranormal Mysteries with Joe Nickell

Saturday, November 8 2pm

Cost: \$10/adults; \$5/Putnam members Free to all youth and college students (with ID).

Joe Nickell has been called a "modern day Sherlock Holmes" and the "real-life Scully" (from the X-Files). This presentation, in conjunction with The Science of Ghost Hunting exhibit, will explain that most ghost hunting, in his experience, employs pseudoscience, and he will explore why we are susceptible to being fooled by our own senses when we come across something "unexplained."

Call (563) 324-1933 or visit www.putnam.org for more information.

Sponsored by  **IEEE**

THE SCIENCE OF GHOST HUNTING

ON EXHIBIT THROUGH JANUARY 11

This interactive exhibit explores the science
behind the pop culture phenomenon of ghost hunting.
